The United States will advocate on behalf of any identified victim, and comply with its obligations under the Mandatory Victim Restitution Act of 1996.

6. Sentence to be Determined by the Court

Defendant understands that the sentence to be imposed will be determined solely by the United States District Judge. The United States cannot make and has not made any promise or representation as to what sentence Defendant will receive. Any discussions that the parties might have had about possible sentences are not binding in any way on the Court,

and do not constitute representations about what the parties will seek, or what the actual sentence will be.

7. Recommended Sentencing Guidelines Calculations

After due consideration of the relevant factors enumerated in 18 U.S.C. § 3553(a), the United States and Defendant submit that the advisory Guidelines calculations listed below apply to Defendant. However, Defendant acknowledges that the Court is not required to accept those recommended Guidelines calculations.

8. Sentence Recommendation

As to Count One, the parties, after due considerations of the relevant factors enumerated in 18 U.S.C. § 3553(a), agree to recommend that Defendant be sentenced to 46 months of imprisonment, regardless of criminal history category.

The parties agree that any recommendation by either party for a term of imprisonment below or above the stipulated sentence recommendation will constitute a material breach of the Plea Agreement.

9. No Stipulation as to Criminal History Category

The parties do not stipulate as to any Criminal History Category for the Defendant.

10. Waiver of Appeal

Defendant knowingly and voluntarily agrees that, if the imprisonment sentence imposed by the Court is 46 months or less, Defendant waives the right to appeal any aspect of these cases' judgment and sentence, including, but not limited to the term of imprisonment or probation, restitution, fines, forfeiture, and the term and conditions of supervised release.

The parties agree that any request by Defendant for an adjustment or departure that is not explicitly provided for in this Plea Agreement will be considered a material breach of this Plea Agreement, and the United States will be free to ask for any sentence, either guideline or statutory.

12. Satisfaction with Counsel

Defendant is satisfied with counsel, Ernesto Hernandez-Milan, Esq., and asserts that counsel has rendered effective legal assistance.

13. Rights Surrendered by Defendant Through Guilty Plea

Defendant understands that by entering into this Plea Agreement, Defendant surrenders and waives certain rights as detailed in this agreement. Defendant understands that the rights of criminal defendants include the following:

- a. If Defendant had persisted in a plea of not guilty to the charges, Defendant would have had the right to a speedy jury trial with the assistance of counsel. The trial may be conducted by a judge sitting without a jury if Defendant, the United States and the judge agree.
- b. If a jury trial is conducted, the jury would be composed of twelve lay persons selected at random. Defendant and Defendant's attorney would assist in selecting the jurors by removing prospective jurors for cause where actual bias or other disqualification is shown, or by removing prospective jurors without cause by exercising peremptory challenges. The jury would have to agree, unanimously, before it could return a verdict of either guilty or not guilty. The jury would be instructed that Defendant is presumed innocent, that it could not convict Defendant unless, after hearing all the evidence, it was persuaded of Defendant's guilt beyond a reasonable doubt, and that it was to consider each charge separately.
- c. If a trial is held by the judge without a jury, the judge would find the facts and, after hearing all the evidence and considering each count separately, determine whether or not the evidence established Defendant's guilt beyond a reasonable doubt.
- d. At a trial, the United States would be required to present its witnesses and other evidence against Defendant. Defendant would be able to confront those witnesses and Defendant's attorney would be able to cross-examine them. In turn, Defendant could present witnesses and other evidence on Defendant's own behalf. If the witnesses for Defendant would not appear voluntarily, Defendant could require their attendance through the subpoena power of the Court.
- e. At a trial, Defendant could rely on the privilege against self-incrimination to decline to testify, and no inference of guilt could be drawn from Defendant's refusal to testify. If Defendant desired to do so, Defendant could testify on Defendant's own behalf.

14. Stipulation of Facts

The accompanying Stipulation of Facts signed by Defendant is hereby incorporated into this Plea Agreement. Defendant adopts the Stipulation of Facts and agrees that the facts therein are accurate in every respect. Defendant agrees and accepts that had the matters proceeded to trial, the United States would have proven those facts beyond a reasonable doubt.

15. Limitations of Plea Agreement

This Plea Agreement binds only the United States Attorney's Office for the District of Puerto Rico and Defendant. It does not bind any other federal district, state, or local authorities.

16. Entirety of Plea Agreement

OGM
EDM This written agreement constitutes the complete Plea Agreement between the United States, Defendant, and Defendant's counsel. The United States has made no promises or representations except as set forth in writing in this Plea Agreement and denies the existence of any other terms and conditions not stated herein.

17. Amendments to Plea Agreement

No other promises, terms or conditions will be entered into between the parties unless they are in writing and signed by all parties.

18. Dismissal of Remaining Counts

At sentencing should there be any pending counts, and should the Defendant comply with the terms of this Plea Agreement, the United States will move to dismiss the remaining counts of the Indictments pending against Defendant in both cases.

19. Voluntariness of Plea Agreement

Defendant acknowledges that no threats have been made against Defendant and that Defendant is pleading guilty freely and voluntarily because Defendant is guilty.

20. Breach and Waiver

Defendant agrees that defendant will have breached this Plea Agreement if, after entering into this Plea Agreement, Defendant: (a) fails to perform or to fulfill completely each and every one of Defendant's obligations under this Plea Agreement; (b) engages in any criminal activity prior to sentencing; or (c) attempts to withdraw Defendant's guilty plea. In the event of such a breach, the United States will be free from its obligation under this Plea Agreement and Defendant will not have the right to withdraw the guilty plea. Moreover, Defendant agrees that if Defendant is in breach of the Plea Agreement, Defendant is deemed to have waived any objection to the reinstatement of any charges under the Indictment, Information, or complaint which may have previously been dismissed or which may have not been previously prosecuted.

21. Potential Impact on Immigration Status

*AOG-M
Edm*

Pursuant to Federal Rule of Criminal Procedure 11(b)(1)(O), Defendant hereby agrees and recognizes that if convicted, a Defendant who is not a United States citizen may be removed from the United States, denied citizenship, and denied admission to the United States in the future.

22. Felony Conviction

Defendant hereby agrees and recognizes that the plea of guilty in this case will be recognized as a felony conviction, which will result in the loss of certain rights, including

but not limited to the right to vote in a federal election, to serve as a juror, to hold public office, and to lawfully possess a firearm.

23. Forfeiture Provision

Defendant agrees to waive and forgo any interests or claims over any firearms and ammunition or other property involved or used in the commission of the offenses.

Defendant further agrees to waive all interest in any such asset in any administrative or judicial forfeiture proceeding, whether criminal or civil, state or federal. Defendant agrees to consent to the entry of orders of forfeiture for such property and waives the requirements of Federal Rules of Criminal Procedure 32.2 and 43(a) regarding notice of the forfeiture in the charging instrument, announcement of the forfeiture at sentencing, and incorporation of the forfeiture in the judgment. Defendant acknowledges that the forfeiture of assets is part of the sentence that may be imposed in this case and waives any failure by the court to advise Defendant of this, pursuant to Rule 11(b)(1)(J), at the time Defendant's guilty plea is accepted.

AOG-M
edw
Defendant further agrees to waive all constitutional and statutory challenges in any manner (including direct appeal, *habeas corpus*, or any other means) to any forfeiture carried out in accordance with this Plea Agreement on any grounds, including that the forfeiture constitutes an excessive fine or punishment. Defendant agrees to take all steps as requested by the United States to pass clear title to forfeitable assets to the United States, and to testify truthfully in any judicial forfeiture proceeding. Defendant acknowledges that all property covered by this agreement is subject to forfeiture as proceeds of illegal conduct, giving rise to forfeiture and/or substitute assets for property otherwise subject to forfeiture.

Defendant, by agreeing to the forfeiture stated above, acknowledges that such forfeiture is not grossly disproportionate to the gravity of the offense conduct to which Defendant is pleading guilty. Defendant agrees that the forfeiture provisions of this Plea Agreement are intended to and will survive Defendant, notwithstanding the abatement of any underlying criminal conviction after the execution of this agreement. The forfeitability of any particular property pursuant to this agreement shall be determined as if Defendant had survived, and that determination shall be binding upon Defendant's heirs, successors and assignees until the agreed forfeiture, including any agreed money judgment, is collected in full.

STIPULATION OF FACTS

In conjunction with the submission of the accompanying Plea Agreement in these cases, the Defendant **Alexander Omar Gonzalez-Morales** acknowledges that he is guilty as charged in both Indictments and admits the following:

Beginning not later than the year 2013 and continuing up to and until the return of the indictment, in the Municipality of Ponce, in the District of Puerto Rico and within the jurisdiction of this Court, [38] **Alexander Omar Gonzalez-Morales**, and other members of the drug trafficking organization, did knowingly and intentionally, combine, conspire, and agree with each other and with diverse other persons known and unknown to the Grand Jury, to commit an offense against the United States, that is, to knowingly and intentionally distribute controlled substances, to wit: one (1) kilogram or more of a mixture or substance containing a detectable amount of heroin, a Schedule I Narcotic Drug Controlled Substance; two hundred and eighty (280) grams or more of a mixture or substance containing a detectable amount of cocaine base (crack), a Schedule II Narcotic Drug Controlled Substance; five (5) kilograms or more of a mixture or substance containing a detectable amount of cocaine, a Schedule II, Narcotic Drug Controlled Substance; one hundred (100) kilograms or more of a mixture or substance containing a detectable amount of marijuana, a Schedule I, Controlled Substance; all within one thousand (1,000) feet of the real properties comprising housing facilities owned by a public housing authority, that is, the José N. Gándara Public Housing Project and the Hogares de Portugués Public Housing Project. All in violation of Title 21, United States Code §§ 841(a)(1), 846, and 860.

The object of the conspiracy was to distribute controlled substances at the José N. Gáldara Public Housing Project; the Hogares de Portugués Public Housing Project, and other areas in the southern part of Puerto Rico, all for significant financial gain and profit. Defendant [38] **Alexander Omar Gonzalez-Morales** acted as seller for the drug trafficking organization. As such, he would distribute street quantity amounts of heroin, cocaine, crack cocaine and marijuana. While multiple kilograms of heroin, cocaine, cocaine base and marijuana were distributed during the conspiracy, for purposes of this plea agreement, the Defendant acknowledges that during the conspiracy he possessed with intent to distribute at least 400 grams but less than 500 grams of cocaine.

Had any of this matter proceeded to trial, the United States would have presented physical and documentary evidence, photographs, audio recordings, testimony of expert witnesses, as well as the testimony of law enforcement agents, among other evidence, which would have proven beyond a reasonable doubt that Defendant [38] **Alexander Omar Gonzalez-Morales** is guilty as charged in Count One of the Indictment.

Discovery was timely made available to Defendant for review.
